Agenda Items

1. Partner Call Minutes

a. There were no questions or corrections needed for the 1/22/19 minutes

2. SkillUP Convening

- a. Thank you to all partners that were able to participate in the convening last week. We will be sending out a summary of the breakout sessions and the PowerPoint that goes over technical assistance with MoJobs and invoicing.
- **3.** No questions or clarifications needed from the convening—if you have any questions, please email SkillUp.Missouri@dss.mo.gov.

4. Program Updates

- a. **Serving individuals over 60 years of age**—you may see more individuals 60+ due to postcard mailing that went to *all* food stamp households.
 - Effective immediately and per federal guidelines, the volunteer policy in Missouri allows for serving Food Stamp recipients 16 years and older. To determine if a client 60+ is a Food Stamp recipient, please complete the DCN verification form.
 - The TANF funding still has the same limitations which includes: 16-24 and 25+ with child(ren). Child(ren) means pregnant, custodial parents and non-custodial parents. There are certain situations where grandparents care for child(ren) and other people care for child(ren) that may qualify them for TANF funding. Please talk to us when this occurs.
 - We will work on the file layout from FAMIS to MoJobs, updating the handbook, updating training materials, etc. This does not change the requirements for assessment, employability plan, etc. as outlined in the training and handbook. In addition, all MoJobs entries are required.
- b. **Senate Bill 4**—"Modifies the law relating to work requirements for participants in the Supplemental Nutrition Assistance Program"--what would happen if this passes legislation?
 - There will still be individuals exempt from the program. FSD will inform partners of changes as they occur.

c. Governor's Budget Recommendations

• \$12 million is included in the Governor's recommendations for SkillUP/FSD workforce programs. FSD will be in contact with agencies early regarding contracts/renewals as this it is a timely process.

d. Year in Review

• "2018 Year in Review" should be out soon. It is in the final review process with FSD.

e. Postcard Mailing

• Some have seen additional foot traffic/drop-ins due to postcard mailing.

f. Success Stories

• Please send us your success stories! If you can get a release of information and/or photo please send this as well.

g. State Employment

• Please keep track of the number of individuals obtaining employment with the state (by region)

h. Reporting

• We will be determining additional outcomes for reporting on SkillUP success.

1. Training

- a. 2/14-2/15 Jefferson City
- b. 3/11-3/12 Jefferson City
- c. 4-23-4/24 Jefferson City
- d. 5/30-5/31 Jefferson City
- e. 6/4-6/5 Jefferson City

Outreach

- a. Please ensure all participants complete the Outreach and Effectiveness Survey located at: https://riskanalysisunit.wufoo.com/forms/et-engagement-effectiveness-survey/
- b. Please email SkillUp.Missouri@dss.mo.gov if outreach/marketing material is needed.
- c. If individuals are asking how your agency obtained their phone number you can inform them that FSD contracts with your agency to assist them in getting a job or a better job.
